

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Terex Australia Pty Ltd
Terex Genie
ABN: 86010671048
ACN: 010671048

Design registration number

PDEWP7001177/23

Date issued

16 Oct 2023

Plant Design description

Plant type: Boom Type Elevating Work Platform

Model / Identification number / Name: S-60 J AU

Manufacturer: Terex

Platform type: Self-propelled

Maximum rated capacity (kg): 300

Maximum platform height (m): 18.5

Maximum boom length (m): 18.5

Maximum chassis inclination (degrees): 5

Insulation type: Non-insulated

Design use: Indoor & Outdoor

Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: General Arrangement S-60 J AU 1324504 A

Technical standards: AS/NZS 1418.10:2011+A1:2017 Cranes, hoists and winches, part 10 Mobile elevating work - 2017

Year of design: 2023
