

Plant Design Registration Certificate

Work Health & Safety Act 2011
Work Health & Safety Regulation 2017

Registration holder

Terex Australia Pty Ltd
Terex Genie
ABN: 86010671048
ACN: 010671048

Design registration number

PDEWP7001176/23

Date issued

16 Oct 2023

Plant Design description

Plant type: Boom Type Elevating Work Platform
Model / Identification number / Name: S-80 J AU
Manufacturer: Terex
Platform type: Self-propelled
Maximum rated capacity (kg): 300
Maximum platform height (m): 24.51
Maximum boom length (m): 24.51
Maximum chassis inclination (degrees): 4.5
Insulation type: Non-insulated
Design use: Indoor & Outdoor
Maximum rated wind velocity (m/s): 12.5

Technical details

Drawing details: GENERAL ARRANGEMENT S-80 J AU 1324502 A
Technical standards: AS/NZS 1418.10:2011+A1:2017 Cranes, hoists and winches Part 10: Mobile elevating work platforms - 2017

Year of design: 2023
