**GENIE SAFETY EXPERTS AVAILABLE TO HOST ONSITE FALL PREVENTION EVENTS DURING
OSHA's NATIONAL SAFETY STAND-DOWN WEEK MAY 3-7, 2021**

Steel Erector Worksites are Invited to Celebrate Safety Week with Onsite Training

REDMOND, WA (April 6, 2021) – Every year, the OSHA National Safety Stand-Down raises fall hazard awareness across the country during the first week of May in an effort to stop fall fatalities and injuries. To support safety awareness in the aerial industry, and as part of the Genie brand commitment to safety, Genie is offering a complimentary introduction to mobile elevating work platform (MEWP) and telehandler safety to the nation's leading steel erector worksites that week.

Contact Us to Schedule:

- An introductory 30-minute short presentation help steel erectors talk directly to employees about safety, focusing on hanging cable hazards, basket capacity and stability hazards.
- FREE lunch up to 100 people will be provided to your steel erector jobsite (maintaining social distancing).
- FREE online jobsite supervisor training class access to those who attend.

To Schedule Your Event

Because we have limited availability for an in-person event, let us know soon if you're interested in having one of our expert trainers come to your jobsite. Email Genie-Brand-Support@terex.com to confirm availability on your preferred date and jobsite location between May 3-7, 2021, or to schedule a virtual online class alternative.

For additional, available training offerings, visit genielift.com/training. For more information about Genie, visit: www.genielift.com.
